## **LEVEL I CERTIFICATION**

Level I clinics are designed to introduce the BASICS of Law and refereeing. Certification at this level requires (1) attendance at a Level I clinic and (2) passing an open-book law exam. The intention of the exam is to demonstrate that the referee HAS READ THE LAW BOOK and can answer questions based on his ability to find the answer in the book. Attendance of the clinic is required to ensure the referee is properly instructed on the fundamental priorities of the game that are not adequately emphasized in the Laws of the Game.

## **\$100 CHARGE FOR CERTIFICATION CLINIC AND EXAM**

Please let us know if we should expect you so we can plan accordingly:
